

How to access the SAL

1. Create an account

Student Activity Locator (SAL)

Use the SAL to record activities and excursions that happen outside school hours or school grounds.

To sign up, click 'Create an account'. Service requests are no longer required to access the SAL. If you have already submitted the request, you do not need to sign up again.

Login

a. Government school staff login

b. Google **c.** Microsoft

OR

d. Login with username

i Non-government schools need a nominated approver who can grant future access requests. Select yes if you are in a role that can grant these requests. Government school users do not need to answer this question.

4. Log in using your school email

a. Government school staff login

b. Google **c.** Microsoft **d.** Envelope icon

Log in using Government school staff login (a), Google (b), Microsoft (c) or the username and password in your email (d).

3. Check your email to verify your account

You will receive an email when your request has been approved. If you are a government school user or a nominated approver, your request will be sent to the department for review. If you are a non-government school user, your request will be sent to your school's nominated approver.
