Update @education password for printers

Mac

1. Open / Search for **Keychain** Access.

2. Search for **8827-follow-me** and open the entry.

3. Tick **Show Password**.

4. Enter your **Mac Password** if prompted.

4. Update the password field with your **new** @education password and click Save Changes.

Setting up a new Mac laptop

1. Start the laptop and follow the macOS setup wizard prompts.
2. Sign in with or create a **personal** Apple ID e.g. johnsmith@icloud.com.
3. Once setup is complete, install the **Intune Company Portal** app from the **Apple Store**.

Do **not** sign in to the Intune Company Portal app. This will be done on the first day of school.

1. **Bookmark** and/or set the browser (edge recommended) home page to the **Student Dashboard**.

https://wrc.vic.edu.au/student

Please download and install NAPLAN from the Student Dashboard https://wrc.vic.edu.au/student NAPLAN is not available for Chromebook

Setting up an Existing Mac laptop

1. If not already installed, get the **Intune Company Portal** app from the **Apple Store**.

*Do **not** sign in to the Intune Company Portal app. This will be done on the first day of school.*

1. **Bookmark** and/or set the browser (edge recommended) home page to the **Student Dashboard**.
