

Naming Microsoft Teams

When creating new Microsoft Teams, please remember to use the naming convention "8827-nameofteam." This will make finding the team a lot easier and will prevent naming conflicts. Additionally, please add the account 8827-apps@schools.vic.edu.au as an owner. This way, I.T. can help with any issues that may arise.

do not name a team as follows:

VICEDU - YEAR 7 CAMP 2025
CREEK CAMP 2025

Correct Naming:

8827-Year-7-Camp-2025
8827-Creek-Camp-2025
