

# Setting up a new Chromebook laptop

1. Start the laptop and follow the Google setup wizard prompts.
2. Sign in with or create a **personal** Gmail account e.g. johnsmith@gmail.com.
3. Once setup is complete, install the **Intune Company Portal** app from the **Google Play Store**.

Do **not** sign in to the Intune Company Portal app. This will be done on the first day of school.

1. **Bookmark** and/or set the browser (edge recommended) home page to the **Student Dashboard**.

<https://wrc.vic.edu.au/student>

**NAPLAN is not available for Chromebook**
